

Thinking about having your own business?

Want to make it less risky?

Then plan to attend

**"Everything You Ever Wanted To Know
About Owning Your Own Business"**

An informational seminar with presentations by the U.S Small Business Administration, S.C.O.R.E, The Greater Richmond Small Business Development Center, The Virginia Department of Business Assistance, Hirschler Fleischer, M&T Bank and FranNet of Richmond.

Starting a business is not for everyone. But it could be a route to the security, both psychological and financial, and the long-term lifestyle for which you are looking, *if* you follow a proven process and find an opportunity that truly matches your aspirations, your qualifications and your financial criteria.

This free seminar is an opportunity to address your concerns about business ownership, answer your questions.....or perhaps help you know what questions to ask! The panel consists of a variety of experts who work with people such as you everyday. This is not a sales presentation! Its purpose is to provide the information you need if you are considering having your own business.
